

Meeting with Harrow Humanists - June 2018

Four members of HIF (Varsha Dodhia, Sonoo Malkani, Anthony Kaiser and Punitha Perinparaja) accepted an invitation from Harrow Humanists (Harrow Voluntary Services Centre, The Lodge, 64 Pinner Road) to a public, open, interactive introduction to Humanism on 13th June.

In a friendly atmosphere of exchange, it was a welcoming occasion. David Cryer (Chair of Harrow Humanists) thanked members of Harrow Interfaith for joining them and for being so interested and open about Humanism and about their own beliefs. He was happy that we were all able to share human values and understand the need for listening in fostering mutually productive dialogue.
